CPD

Your CPD record will be administered by the BMG office.

The screenshot shows a web interface for CPD records. At the top, there is a navigation bar with tabs: Personal, Address, Registrations, Training, Workshops, CPD (circled in red), Membership, Provider, and Shop. Below the navigation bar, the page title is "cpd records". A sub-header states: "The points shown below are within your current CPD period and not for all time." Below this, there are two summary cards. The first card is for M.T.A. (01/05/2012) with 8.00 points and 0 dlogs. The second card is for BMG (19/05/2011) with 7.00 points and 0 dlogs. A red arrow points from the text "This is the number of points (of all types) you have in the current period." to the 7.00 value. Another red arrow points from the text "This is the date your current CPD period starts (4 years ago)" to the 19/05/2011 date. Below the summary cards is a table of CPD events. The table has columns: Title, Date, Points, Checked, Delete, Print, View, Workshop, and Edit. The table contains six rows of data. At the bottom left, there is a button labeled "ADD" with a plus icon, circled in red. A red arrow points from the text "Do not add your own BMG CPD" to this button. At the bottom right, a red arrow points from the text "View details/description of the CPD event" to the "View" column of the table.
